SYNOPSIS

When confronted with his mortality, Ben Tyler (Joshua Jackson) impulsively buys a vintage motorcycle and sets off on a road trip that starts in Toronto and ends up on Vancouver Island in the town of Tofino. Humorous, profound and extremely moving, *One Week* uses the great Canadian landscape as the backdrop to the story of a man and his life's journey. In the search for himself, he finds out what makes this country, and his life, so beautiful.
